

Environmental Verification Statement for Rapesco Office Products Plc

Self-certified & verified

Item:

Rapesco Eco Recycled DL Popper Wallet
(Pack 5)

Code: 0690

Key Facts

- Recycled Material Content Summary (by volume):
Whole product recycled content:

94.31%

Recycled Content Calculations

Weight [g]		
Total plastic components		62 g
Recycled plastic components made up with:		
RPP (Post-consumer PP)	58.0 g	
PP Wide Spec - excluded from RPP calculation	0.0 g	
Other Non-recycled components (PP)		3.5 g
Metal	0.0 g	
Total Weight	62 g	

Volume [cm3]		
Total plastic components		68.3 cm3
Recycled plastic components made up with:		
RPP (Post-consumer PP)	64.4 cm3	
PP Wide Spec - excluded from RPP calculation	0.0 cm3	
Other Non-recycled components (PP)		3.9 cm3
Metal	0.0 cm3	
Total Volume	68.3 cm3	

RPP content for all plastic components by volume (excluding PP Wide Spec)	94.3%
Non-Recycled content for all plastic components by volume	5.7%

Whole product % content (inc. metal parts) by volume		
Total plastic components		100%
Recycled plastic components made up with:		
RPP (Post-consumer PP)	94.3%	
PP Wide Spec - excluded from RPP calculation	0.0%	
Other Non-recycled components (PP)		5.7%
Metal	0.0%	
TOTAL	100%	

The data listed in this document is the property of Rapesco and its subcontractors concerned with the manufacture of the components and finished product. This data concerning the mixing of R-PP and PP has been provided to Rapesco by its subcontractors and Rapesco has made all reasonable efforts to verify and substantiate the content to ensure its accuracy at the time of its creation and/or modification - see "Recycled Content Calculations" above. However, Rapesco cannot be responsible for any errors, omissions or inaccuracies and accepts no liability for any loss or damage arising. Rapesco reserves the right to make changes or remove or alter any content at any time without notice.

Total percentage values are +/- 5% and the whole product recycled percentage is based on the volume of all material.

Additional recyclable information

The claim applies to the product when "yes" is stated below

Compostable:	no
Degradable:	no
Recovered energy:	no
Recyclable post-consumer purchase:	yes
Plastic components:	yes
Metal components:	n/a
Other components†:	yes
(†Please state):	Packaging

Additional significant sustainable criteria:

Product and packaging 100% recyclable
